

Autel Scanner[®].com

Professional Autel Product Agent

Autel scanner , located in Shenzhen. We are the top **authorized selling agent/wholesales of [Autel diagnostic tools](#)**, equipment and accessories. Since our foundation in 2008, we have been committed to creating maximum long-term value to our customers by providing direct selling- price, quality-assured, professional technology support, responsible after-sales service and etc..

By cooperating with The **Autel Company** directly, we enjoy the most favorite price which allows us to offer best discount for our customers whether retail or wholesales. In order to offer customer the professional technology support, we build professional technology team which trained by Autel company, all questions and problems can expected to get response and solution in 24-48hours. To add more value to our customers, we also offer drop-ship service which allows customer ship the goods directly from China to their customer which avoid double transport time and cost.

Today we have grown to be able to offer the main line of [Autel automotive diagnostic](#) products: [MaxiSys MS908 Pro](#), [MaxiSys MS908](#), [MaxiSys MS905 Mini](#) , [DS708](#), [MD802](#), [MV400](#), [MaxiCheck Pro](#), [TS401](#), [TS501](#) and more.

We welcome all retail/wholesale inquiries, and recruit agents from different countries.

MaxiSys_Abarth_V2.10 Function List (Note:For reference only)

NOTES:

- This function is supported. ※ This function may be supported, which depends on the actual condition of the vehicle.
 - This function is not supported. ▲ This function is the new feature in this version.
- As for special function please refer to the special function table.**

| Model | Version | Group | System | ECU info. | Read Codes | Erase Codes | Live Data | Active Test | Specil Function |
